

DAV PUBLIC SCHOOL, MUNGER
PRINCIPAL'S MESSAGE

DATE - 02/04/2020

Dear Parents/Guardians

As the outset, I wish you all a Happy Home Stay. I hope you all are hale and hearty with your children and spending happy moments at home in the sweet and innocent company with them.

The result of all the classes have been declared and posted on the school website that is www.davmunger.in as well as on the snap homework apps on the 29th March 2020. The average marks on the basis of previous three examinations have been awarded in the subjects which examinations could have not been conducted due to Corona Pandemic. The Academic session for the new classes was supposed to start w.e.f. 07/04/2020 but due to uncertainty and danger of COVID-19 spread throughout the world session now may be delayed a bit but thinking that our students may not suffer the DAV Management has decided to start online classes and giving homework through apps to keep them academically engaged and mentally alert. Let us take this Lockdown as an opportunity to sit, think and work with our children for their mental and intellectual growth.

Dear parents help your children to download Zoom App from Google Play Store and let them join the online classes in all the subjects regularly and routine-wise. The time table, schedule and routine have been given on school site and snap homework. Please guide and convince your children to join the classes regularly in between 08:30 am to 02:30 pm everyday without fail.

They must have a notebook and pen while learning online. So you all are requested to ensure that your ward is joining their online classes' everyday, taking homework and doing that properly. Really it is a new innovation full of excitement, joy and knowledge.

In anticipation of your best support.

Thanking you,

(Sanjay Kumar)

Principal
